

FOREST PARK HOUSE

INSIDE THE (TREES AND) BELTLINE, RALEIGH

Welcome!

Melanie and James are your hosts; please contact them through email or text (919) 414-0268.

Your check-out time was sent to you in the app, and we think the process is easy!

- Please load and start the dishwasher. Include any pet bowls, if you used them.
- Take the kitchen trash and recycling to the bins in the carport.
- That's it! Have a safe trip!

Use the carport, if possible. Street parking requires a permit; read curbside signs and use 24-hour passes that are on the living room desk.

Wi-fi information will be sent you in at check-in

- Internet needs a reboot? Look under the kitchen windows.

- Extra blankets and pillows are in the closet of each bedroom.
- Two air mattresses and bedding are in the upstairs closets. Per the rental agreement, using the bedding requires the "extra guest fee."

If you brought your pets, give them a good belly rub from us!

- Take a paws and read the "Furry Guests" page for more information.

Some clean-ups can't wait! Our supplies are either under the kitchen sink or in the laundry area of the basement.

Laundry machines are in the basement, including detergent, bleach, etc. An iron, ironing board, and steamer are in the primary bedroom closet.

Garbage goes in the brown cart at the alley. Sorry, composting is not available.

Unbagged recycling goes in the blue cart at the alley. We recycle clean aluminum, steel, glass, plastic, cardboard, paperboard, and paper. Pizza boxes are garbage.

No smoking or vaping inside the house. Air quality is being monitored; violators are charged a \$500 fine for remediation + lost revenue.

No events or parties.

- Noise and occupancy are being measured; high readings alert the host.
